CITIZEN COMPLAINT REPORT

The Department of Public Safety (DPS) is committed in providing quality services to the community in a professional and courteous manner.

Day to day our officers perform commendable acts of service for the Community at Brown University. We encourage members of the community to submit commendation recommendations to share information about positive experiences and interactions they have had with DPS Personnel. This can be done by visiting our website.

Also, if a member of the Community has been stopped by a member of the Department of Public Safety and they are unsure of the reason or validity of the stop, we invite them to inquire about it. They may do so by filing an inquiry form found on our website which will provide us with details of the stop and a way to contact them.

Our department willingly receives and promptly investigates inquiries and complaints regarding the conduct of officers, or department procedures and services. Complaints are investigated fairly and impartially.

This can be accomplished by stopping by and obtaining a form at the following locations and then mailing or dropping it off to the Department of Public Safety; or online at our website.
